## Full Stack Web Developer

Owerri 900001

[ekenma.peter@gmail.com](mailto:ekenma.peter@gmail.com)

+234 703 163 3778

My name is Ekenma Peter Nwabueze, and I am a full-stack Frontend and Backend Developer from Nigeria. I have in-depth knowledge of web development, infrastructure, and architecture with my 6+ years working and building real-life Application/Software.

I have worked for various startup in developing a stunning, mobile friendly and scalable website / App that is being access by thousand of users. I love working with PHP, WordPress, JavaScript, Laravel, Flask, Flutter, Restful API, Payment Integration, ReactJs, Vue, Postgres, MySQL, NoSQL, Bootstrap, and many more.

I also work on pet projects when ever i am not working on any task, this is to help be learn more when working with live application.

Willing to relocate: Anywhere
