Summary

Content writer and marketer turned product manager with a passion for building products that users love. I have 3+ years of experience in researching keywords, generating ideas, and developing and editing content for individuals and businesses. I'm passionate about using my skills to create products that solve real-world problems and meet the needs of users. I believe my creativity and analytical skills can aid in building and growing products that people love.

Experiences

CONTENT WRITER

Campus Help | Nigeria | September 2021 – April 2023

- Conducts in-depth research on industry-related topics to develop original content.
- Edit and polish existing content to improve readability.
- Develops content for blogs, social media, and company website.
- Create minimal designs to simplify the information on the company's social media.

CONTENT WRITER | SCRIPTWRITER

Trailblazer | United Kingdom | May 2022 – March 2023

- Researched and wrote contents of about 6000 words weekly.
- Wrote scripts for videos for the company's YouTube channel.
- Suggest topics and edit scripts for the company's podcast/YouTube.

CONTENT WRITING INTERN

College Aftermath | India | May 2022 – July 2022

- Researched and wrote content with about 1500 words daily.
- Made intensive research about American educational institutions and global companies.
- Wrote articles and web content for the company's website.
