

ADEKUNLE AYODEJI SHERIF

Software Engineer

Lagos, Nigeria (willing to relocate) | ayodejiadekunle@gmail.com | +2347037949021 | [Portfolio](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Dynamic and results-oriented Software engineer with over 3 years of experience in designing, developing, and deploying high-performance web applications. Proficient in JavaScript (ES6+), PHP, with extensive experience using frameworks such as React, Node.js, and Laravel. Strong focus on creating scalable, secure, and efficient solutions to enhance user engagement and system performance. Proven ability to lead development projects, collaborate with cross-functional teams, and resolve complex technical issues. Certified in Microsoft Azure Fundamentals with a passion for continuous learning and staying up to date with emerging technologies.

SKILLS & CERTIFICATIONS

- **Languages:** JavaScript (ES6+), PHP, HTML, CSS
- **Databases:** MySQL, PostgreSQL, MongoDB, Firebase
- **Frameworks & Libraries:** Laravel, React
- **CMS:** Wordpress
- **DevOps:** Git, GitHub Actions, Bitbucket
- **Certifications:** Microsoft Certified – [Azure Fundamentals](#)
- **Task Management & Others:** Jira, Slack, Skype, Zoom, Slack

WORK EXPERIENCE

Full Stack Engineer | *Techforce Inc (Remote)* (London, United Kingdom)

May 2023 – Till Date

- Created and optimized five new application features based on user feedback; led to a 30% increase in feature adoption within the first month of launch, contributing to overall app growth.
- Integrated RESTful APIs to streamline the data flow, improving cross-team reporting by 40% and enhancing access to critical project data.
- Spearheaded the development and launch of five key modules, boosting user engagement by 40% through optimized feature access.
- Improved system performance by debugging and optimizing database queries, leading to a 20% reduction in query time.

Web Developer | *Remote Solutions Africa (Contract)* (Lagos, Nigeria)

Feb 2022 – March 2023

- Developed and maintained backend services for client applications using Node.js and Laravel, improving response times and scalability.
- Collaborated with front-end developers to deliver fully integrated, responsive applications by implementing REST APIs.
- Conducted code reviews and applied debugging techniques to enhance the stability of the codebase, ensuring zero downtime during critical updates.
- Optimized backend processes, resulting in a 30% improvement in system efficiency.
- Documented the software development process to maintain detailed and up-to-date records for all project phases.

Web Developer | *Bridgegap Consults Limited* (Lagos, Nigeria)

May 2021 – December 2021

- Managed and developed web modules to support key client applications, integrating RESTful APIs for real-time data reporting.
- Identified and implemented improvements to existing features, reducing bugs and enhancing overall functionality.
- Participated in the full software development lifecycle, from requirement gathering to deployment, using Agile methodologies.
- Built and maintained dynamic websites, optimizing the user experience and enhancing performance across multiple platforms.

PROJECT(S)

EOR Web App: Designed and developed a scalable Employer of Record (EOR) web application for Remote Solutions Africa.

| [Live](#)

Crypto Trader App: Created a real-time cryptocurrency trading platform using Ajax and Laravel, allowing users to execute trades seamlessly. | [Live](#)

Naira Coin Exchange: Designed and implemented a secure cryptocurrency exchange platform, ensuring safe and efficient currency conversions. | [Live](#)

Sales Inventory App: Built a Laravel-based inventory system that reduced manual reporting by 30%, streamlining business processes. | [Repository](#)

Interview Conferencing App: Developed an app integrating video conferencing for interview management, allowing for efficient candidate shortlisting and selection. | [Repository](#)

EDUCATION

Diploma in Software Development | **Bold links Technology Solutions, Ijaiye, Lagos**

September 2020

B.SC Banking & Finance | **Olabisi Onabanjo University, Ago-Iwoye, Ogun State**

November 2015
